

## SILVER STAR ACADEMY BEHAVIOR POLICY

In effort to provide a safe and comfortable environment for your child, Silver Star Academy has the right to withdraw a child if the student does not respect teachers and staff (includes hitting, spitting, using inappropriate language, excessive biting and/or excessive scratching), and/or if students are destroying school property.

If the student does not abide by the rules the first time the parents will receive a warning. After the second warning the child will be suspended for three days and the parents still have the responsibility to pay that week. After the third time, they will be suspended for one week and again the parents must pay the full week. After the fourth time, the child will be withdrawn from Silver Star Academy.

On this day I received the Silver Star Academy Behavior Policy and with my signature I confirm I have read and understand this policy.
